

Vancouver Minor Hockey Association

Over the many years, Vancouver Minor Hockey Association has played a positive and supportive role in the development of our players. Through the accumulative efforts of both the Association and families we have been able to reduce the every rising costs associated with the sport of hockey.

As most of you are aware, at the end of the '08-'09 hockey season we were awarded not only the PCAHA Hockey Association of the Year but also the BC Hockey Association of the Year. Throughout the years whenever possible VMHA gives financial aid to those teams win their way to the Provincials. We are now in a position that 7 of our teams are candidates for Provincials each year. The VMHA Provincial Funds is there to help any and all players who make it to this level, without your help this would not be possible.

On Wednesday, December 16, 2009, VMHA's Bantam A1 and Midget A1 teams will be challenging the Coaches of VMHA to 2 separate Exhibition games to raise funds towards the travel and accommodations towards those teams in VMHA who make the Provincials. We are asking the parents of all our Rep teams to get involved by volunteering either their time or by donating a door prize.
