SERVING AMATEUR HOCKEY IN THE LOWER MAINLAND SINCE 1941

July 3, 2020

STATEMENT FROM PCAHA

The PCAHA has been working with our member Associations (with guidance and support from Hockey Canada, BC Hockey, ViaSport and our Provincial Health Authorities) on plans for a safe return to hockey. Regular meetings with all parties, including weekly meetings with our members, have been occurring since April to plan and prepare for next season.

We are well positioned for a successful season start in September, following prescribed return to play protocols from our sport governing bodies, the Public Health Authorities and Provincial Government. The safety and best interests of the players in our District is paramount.

It is our intention to have both recreational and rep hockey. This includes preparing game schedules for various return-to-play scenarios. We are pleased that we are now in Phase 3 of BC's Restart Plan and we are beginning to see some of our municipal arenas reopen with programming run by our member Associations.
